

## **MYP NEWSLETTER**

At Manchester we provide a dynamic educational environment, by encouraging excellence. All students are challenged to reach their maximum potential by learning at their functional level to provide a solid foundation of skills, knowledge and values. This foundation enables each student to become a well-educated, productive adult who will be able to cope with an ever-changing world.

### **PONGAL CELEBRATION**

Pongal celebration at our school embodies the spirit of international mindedness, fostering cultural diversity and understanding among students from various backgrounds. The celebration serves as a platform for students to learn and appreciate different cultural traditions, promoting respect and empathy for diverse perspectives. As we gather to rejoice in the blessings of abundance and prosperity, Pongal at our school signifies our commitment to fostering a global community where cultural exchange and mutual respect thrive.

### **WORLD ORAL HEALTH DAY**

World Oral Health Day at Manchester involved raising awareness on dental health, with two visiting doctors interacting with our students, emphasising the importance of oral hygiene. Through informative sessions and interactive activities, students learnt the significance of dental care for overall well-being. The event was organised to promote lifelong habits and empower students to maintain optimal oral health.

## REPUBLIC DAY CELEBRATION

Republic Day celebrations at our school were marked by a spirited march past led by house captains, instilling patriotic fervor and unity among students. With pride in our hearts, we honoured the vibrant diversity of our nation, embodying the spirit of a proud and unified India. Through symbolic gestures and heartfelt performances, we commemorated our shared values and aspirations, reaffirming our commitment to a brighter future. As we raised our voices in unison, Republic Day at our school echoed the essence of a strong and resilient nation.

## SPORT DAY-EXHILERA 2024

Exhilera-24, Every moment showcased the dedication and passion of our students, from electrifying athletic battles to captivating display performance. As the cheers echoed and the medals gleamed, it became clear that beyond the victories, it was the spirit of unity and camaraderie that truly shone brightest. Each participant showcased unwavering dedication, embodying the values of teamwork and sportsmanship with every stride and every cheer.

**INDUS SCHOOL OF LEADERSHIP**

Manchester MYP students' visit to the Indus School of Leadership in Bangalore proved to be an extraordinary journey. Engaged in a diverse array of courses and activities, students were not only challenged physically but also intellectually stimulated. The discovery course opened doors to new thoughts and ideas, while thrilling outdoor adventures like wall climbing, raft building, and trekking added excitement.

The unique atmosphere fostered curiosity and exploration, enabling students to grasp complex concepts and apply them practically. Through interactive sessions, they connected classroom learning to real-life scenarios, perfectly complementing the IB learning approach. Students relished every moment, seizing opportunities to learn and grow. This immersive experience not only provided a change of scenery but also broadened horizons and deepened understanding of the IB curriculum, leaving a profound impact on all participants.

**NATIONAL SCIENCE DAY**

Manchester International school celebrated National Science Day to highlight the importance of science, technology, and innovation. This event recognized the dedicated efforts of the scientific community and underscored our commitment to fostering public appreciation for these fields. It created a platform to inspire curiosity and interest in science among students, helping them develop critical thinking skills, nurturing creativity, and preparing future generations to address complex global challenges.

**IDU EXHIBITION-BRAINWAVES & BRUSHSTROKES**

Manchester International School hosted an inspiring IDU (Interdisciplinary Unit) exhibition, showcasing the remarkable ways in which the IB MYP (Middle Years Programme) learners are harnessing interdisciplinary studies to enrich their learning journeys. Through innovative projects, students illuminated how weaving together various disciplines deepens their understanding of complex contexts, transcending mere acquisition of knowledge. This event underscored the transformative power of interdisciplinary approaches in equipping students with the skills and perspectives needed to navigate and positively impact our interconnected world.

**FRENCH DAY**

French, known as 'la langue d'amour' (the language of love), is celebrated worldwide for its elegance and refinement. MYP commemorated French Day, *Franco pho nie* 2024 by embracing the beauty of the French language, indulging in the exquisite flavors of French cuisine, and celebrating the richness of French culture through song, dance, quiz and talks. During this opportunity, students explored French culture through its encompassing arts, literature, iconic paintings, timeless novels, and more.

**WOMEN'S DAY- SERVICE AS ACTION**

In celebration of International Women's Day, MYP students came together and engaged in meaningful Service as Action projects, highlighting the importance of gender equality and women's empowerment. They showed their appreciation for the hard work and dedication, especially of the women who keep their surroundings clean and tidy. It was a reminder of the importance of showing kindness and appreciation to the house keeping staff whose work often goes unnoticed.

**TRAJECTORY-24**

Manchester (IB Continuum School) witnessed a remarkable event, "Trajectory" marking the culmination of years of diligent effort and commitment of our students across various transitional stages. Students of EYP3, PYP5, MYP5, DP2 exhibited their learning through Exhibition, Personal Projects and Portfolios, and DP Core and IAs. The seamless transition from one stage to the next, enriched by the accumulation of prior knowledge, was evident as these young learners showcased their processes, challenges, and triumphs with unparalleled zest and confidence. Their metamorphosis throughout this journey was truly awe-inspiring, reflecting their remarkable growth and development.

**FOOD STALL**

Bringing joy through food is immensely rewarding. Our MYP4 students set up food stalls not only to spread happiness but also to support a cause. From meticulous planning to ensuring quality, they worked tirelessly. Through teamwork, they learned the value of delegation and problem-solving. Parents were impressed by their organization and contributed to their noble cause (donation to the Cancer foundation, Coimbatore) of serving those in need.
