# MESSAGE FROM THE HEADS

MANCHESTER  
INTERNATIONAL SCHOOL

## MR. RAJESH VASUDEVAN

Head of School

Dear Students, Faculty, Staff, and Parents,

As we leaf through the pages of this year's yearbook, we are reminded of the profound impact that consistent action can have on shaping our lives and our community. James Clear's words in "Atomic Habits" resonate deeply with our journey this year: "Every action you take is a vote for the type of person you wish to become."

This academic year has been a testament to the power of our collective habits, as we've come together to create a culture of growth, unity, and achievement. Each small action, each daily commitment, has contributed to the transformation we've experienced individually and as a school community.

From the first day of classes to this momentous occasion of compiling our yearbook, we've witnessed countless instances of students, faculty, and staff embodying the values of dedication, perseverance, and excellence. Whether it's the consistent effort in the classroom, the disciplined practice on the field, or the steadfast support for one another, our habits have shaped not only our outcomes but also our identities.

"As you master the art of showing up, the idea of transformation becomes less daunting and more manageable." - James Clear, Atomic Habits

Behind every remarkable student achievement is a pattern of consistent effort, discipline, and resilience. Our educators and staff members have been instrumental in nurturing these habits, providing guidance, encouragement, and support every step of the way. Their unwavering commitment to excellence has laid the foundation for our collective success.

This year has been marked by both triumphs and challenges, but through it all, we've remained steadfast in our commitment to growth and improvement. In the face of uncertainty and adversity, we've leaned on our habits of perseverance and adaptability, emerging stronger and more united than ever before.

As we bid farewell to this academic year and look ahead to the future, let us carry forward the lessons learned and the habits cultivated, knowing that they will continue to shape our journey. The actions we take today pave the way for the person we aspire to become tomorrow.

To the graduating class of 2024, as you prepare to embark on new adventures, remember that the habits you've formed here will serve as the building blocks of your future success. Embrace each opportunity with courage, knowing that your consistent actions have the power to transform your life and the lives of those around you.

As we celebrate the culmination of another memorable year, let us cherish the moments we've shared, celebrate the achievements we've accomplished, and commit ourselves to continued growth and excellence in the years ahead.

Thank you to the yearbook committee for capturing the essence of our school community and preserving these cherished memories for generations to come.

Wishing you all continued success, happiness, and fulfillment in the journey ahead.

Warm regards,  
Rajesh Vasudevan
